GF TRIBE

WELCOME

WELCOME

WELCOME TO THE GF TRIBE!!
We are so excited you are here!

Ground Force Studios is not just a place to learn to dance. It's a hub of passion and a community of likeminded individuals. We take pride in our classes and what we teach, instilling motivation, a love for dance, confidence, creativity and gratitude.

The Company was founded in 2015 by Liana & Jess, both highly educated women in Child Care, Primary & Secondary School settings teaching children through to adults the performing arts curriculum and syllabus.
They began teaching their 'In-School programs' to schools across Adelaide in 2015 and now teach at over 20 schools. They first began their studio classes after school and on weekends in 2017 with only 20 students. Since then, they have created a force to be reckoned with, providing creative, fresh and awe-inspiring classes for everyone.

The GF Team look forward to dancing with you!

STUDIO INFORMATION

CLASS STRUCTURE

GF Studio classes run for either 30, 45, 60, or 75 minutes in length over a 10-week Term and 9 weeks in Term 4. Our classes are all based according to a specific level of dance. If a class is too easy or difficult, students can change classes, but we do love them to challenge themselves!

GF classes start off with a fun introduction, whether it be a way of expressing gratitude, class names, freestyle circle, games, stories, jokes etc! We then warm-up our bodies with a structured warm-up of Cardio, Isolations and Stretches. Sequences and/or specialised moves based on the class dance style are then taught along with structured choreography. Students are expected to practise what they have learnt in class to ensure they are developing and remembering the choreography for each week. At the end of our classes, we warm-down our bodies and/or present back what was learnt during the class. Students also have opportunities in class to choreograph their own pieces individually and/or in groups, which provides them with great confidence and teamwork skills.

FUNDRAISING PARENT TEAM

Each year we have a team of GF parents who work together and catch up occasionally to organise events and raffles to fundraise money for our Crew Students. All money raised goes into a GF Studios kitty which is then used and distributed for Crew events. If you would like to be part of our 2022 Fundraising Parent Team let the GF Team know.

SPONSORSHIP

If you would like to sponsor our End of Year Showcase, and/or Crew teams to help them compete and travel Nationally for 2023, flick the GF Team an email. This is a great way to promote and advertise your business.
