

DRAMA

Drama Fundamentals focuses on Mime, Improvisation and Role Play. Students work collaboratively as they use these key elements of drama to shape character, voice, expression and movement.

Drama Performance allows students to showcase a Drama skit or show to an audience. The program assists and supports teachers with all things drama including running auditions, creative direction with scripts, sets, props and costumes if applicable.

Watch the benefits unfold as we strengthen all facets of a student's mind, body and soul:

- Development of self-expression & voice projection
- Increased body awareness and self-confidence
- Encouragement of creativity & initiative
- Improved focus, concentration & memorisation
- Practice following instructions & working in a team
- And so much more...
