# COVID POLICIES

The GF team will keep accurate roles for all classes using our online system. This is imperative for our community as a strict pre-cautionary measure. This is why it is imperative that all payments are made via bank transfer or in cash in a sealed envelope with the correct amount and labelled with student name and class.

It is also recommended that families download the COVIDSafe app:

[www.health.gov.au/resources/apps-and-tools/covidsafe-app](http://www.health.gov.au/resources/apps-and-tools/covidsafe-app)

Our studios will meet capacity guidelines and will adhere to the 1 person per 2 square meters rule.

Parents will need to drop off students only. No parent is allowed to enter the reception area or studio space, parents can wait outside at both studios. Please call or email if you require assistance.

Exit procedure – students will come out in supervised blocks. Please be prepared to wait 10 minutes after your class is finished for your child to exit safely whilst adhering to COVID safe ruling.

We will be using the street as a parking space to ensure a healthy drop off and pick up zone.

All students and teachers must sanitise upon entry to the building

The studio will be cleaned prior to classes.

If a student is unwell, please stay home to ensure the safety of our dance community.

The GF Team will closely monitor the health and wellbeing of all our students. If a student shows flu like symptoms, they will be sent home immediately.

The GF Team will continue to adhere by the rules and regulations following the SA Government's protocols and will keep everyone informed as changes occur. Please ensure you have downloaded BAND as an App on your preferred device for all GF Studios updates and information. Details on this will be sent out to your mobile number prior to classes.
