CLASS DESCRIPTIONS:

MAMAS & BABES: [COMING SOON] This class is designed for mamas with little babes under 1, offering a holistic approach to strengthen both body and mind. Incorporating Pilates, yoga, and HIIT exercises, the class ensures a diverse workout. Mums engage in postnatal-friendly exercises that target core strength, flexibility, and cardiovascular fitness. The atmosphere is supportive, allowing mamas to bond with their babes while fostering a sense of community. Emphasizing mindfulness and relaxation, the class aims to enhance overall well-being for both mothers and their little ones.

GROUND FORCE TOTZ: This fun class is for all those busy toddlers out there ready to get their dance on! Full of vibrancy and interaction where toddlers learn to dance, connect with peers, sing, and have an overall enjoyable experience. Through age-appropriate movements and music, toddlers are introduced to basic dance steps, encouraging creativity and self-expression. Group activities and games foster social interaction, helping toddlers build connections with each other. Simple, catchy songs are incorporated to make the class enjoyable and promote language development. The emphasis is on creating a positive and engaging atmosphere that encourages both individual expression and social interaction among toddlers. This class requires one parent to be present and join in with their toddler.

BALLERINA BABEZ: This class is for little dancers beginning their dance experience discovering the foundations of technique in Ballet & Jazz. The class incorporates creative elements to make the experience as fun and engaging as possible for little dancers, such as storytelling through dance, colourful props, and imaginative themes. Basic ballet and jazz techniques are introduced through playful activities, ensuring that young dancers develop fundamental skills while enjoying the process. The class may include games, rhythmic exercises, and music that captivate their attention, fostering a love for dance in a light-hearted atmosphere.

GROUND FORCE FIT: This class is for adults wanting to improve their fitness, mindset and overall wellbeing. The class offers a holistic approach to wellbeing by combining Pilates for core strength, HIIT for cardiovascular benefits, yoga for flexibility and balance, and meditation for mental relaxation. Each class is designed to engage both the body and mind, promoting overall fitness and a sense of inner peace. Adults can expect a dynamic and enjoyable experience that caters to various fitness levels, ensuring a well-rounded workout that contributes to both physical and mental wellness.

LYRICAL: This class explores a fusion of jazz and ballet techniques, seamlessly blended with contemporary foundations.
